Vol. 12
November, 2015

2015

As we prepare to write this newsletter, we do not know the fate of North Carroll High School. We, of course, hope that NCHS will be saved and our students, town and community as a whole will have the opportunity to continue to create many more memories there. Memories can never be erased and we have a choice to hold on to our memories as long as we wish. Memories of Stevie are engrained in us forever and we will never forget the happy young man who brought so much joy into our lives. There is no doubt we will continue our scholarship in Stevie's memory. Your continued support is important to us and is greatly appreciated. Assisting students is a joy all of us can hold on to for years to come knowing we have lent a hand to someone no matter how small. Your support over the past twelve years has been amazing and has touched our hearts in a way, a simple thank you just does not seem enough.

The above plaque was dedicated in memory of Stevie by his teammates and hangs on the dugout at NCHS.

ACADEMIC AWARDS

2015

On June 4, 2015, in honor of Stevie, at North Carroll High School's Community Award Night we presented \$1,000.00 scholarships to:

Olivia Hare and Joseph Gebhart

Congratulations - Olivia and Joseph!

RECIPIENTS

(Excerpts from thank you notes received)

Olivia Hare

Mr. and Mrs. Beall,

First, I would like to thank you and the rest of the scholarship board who chose me to receive the Stevie Beall Jr. Memorial Scholarship. I am so appreciative that I was the student chosen for this award.

Thank you very much.

Olivia E. Hare

Joseph Gebhart

Mr. and Mrs. Stephen and Patricia Beall,

Thank you so much for choosing me as a recipient for this scholarship! I am very excited to head south to Bridgewater College in the fall to begin working toward my Health and Exercise Science Degree. As noted in my application, I plan on staying in school for six years in order to complete a master's degree in Occupational Therapy. Every scholarship during this time helps tremendously, and I am very grateful for every award.

Thank you again for selecting me to receive this award,

Joe Gebhart

UPDATE FROM OLIVIA

I am currently at Carroll Community College for my first year as a college freshman. I have plans to transfer to Stevenson University the fall of 2016 as a sophomore to study Visual Communication Design. I am currently taking five classes at Carroll to fulfill my general education requirements. As a high school senior last year, I was Deans Listed at Carroll for my academic achievement and I have continued to stay on the Deans List with a 4.0 GPA which I am very proud of. At Carroll I am also participating in a handful of clubs such as service learning club, hiking club, intramural laser tag, Leadership Challenge and student ambassador. As a student ambassador I assist one on one with students at Carroll during open houses and other events. I am also training to give tours to prospective students. In Leadership Challenge, we are given a list of requirements we have to fulfill our "learn " "lead" and "serve" projects. I have become very active within college to make the best out of my time at Carroll. I am very grateful for the Stevie Beall Jr. Memorial Scholarship which has been a huge help in assisting me with the funds to purchase textbooks for all of my classes. Purchasing textbooks can be an extremely stressful situation for many students. The Stevie Beall Jr. Memorial Scholarship supplied me with the comfort of knowing I will be prepared for all of my classes and be ready to work as hard as possible in all of my classes at Carroll Community.

Thank you very much,
Olivia Hare

UPDATE FROM JOSEPH

College is going great so far! I currently have three As and one high B, and am enjoying my classes. I know my roommate from high school, and we have gotten along great so far. Overall, my college transition has been fairly easy! Unfortunately, I have decided against playing baseball for Bridgewater College in order to focus on my pre-physical therapy workload in the upcoming semesters. I do plan to play on an intramural softball team in the spring for fun!

Thank you so much for checking in!
Joe Gebhart

“STEVIE BEALL’S HOPES AND DREAMS STREAM”

As the word spread about the fate of NCHS, we have been questioned what about the waterfall, “Stevie Beall’s Hopes and Dreams Stream”. We too question the fate of the waterfall. It seems like yesterday when thirty plus students of Stevie’s class volunteered over a three day October weekend to help us build such a beautiful memory. It is always a pleasure to hear someone tell us how much they enjoy walking into the school and seeing the waterfall. Steve Beall has devoted the past twelve years taking care of the waterfall, a design he created with Stevie in mind with all his favorite trees and plants. We always tell students it is a place you can stop by, sit, relax and contemplate your hopes and dreams. As the leaves begin to fall, we will never forget the wonderful students who helped us on that October weekend.

The Waterfall was donated by Pat and Steve Beall in 2003 to NCHS and all expenses since 2003 associated with the waterfall have been donated by Steve Beall.

**As you can see Steve’s hard work and dedication to the waterfall is amazing!
Thank you Steve!**
